1976 Alfa Romeo GT 1600 Junior - Classic Italian Beauty

The Alfa Romeo GT 1600 Junior, part of the iconic Tipo 105 Series Coupes, is a rare gem. Designed by Giugiaro, this lightweight coupe boasts classic Bertone lines. It bridged the gap between the smaller GT 1300 Junior and the larger-engined 2000 GTV. These delightful classics remain highly collectible, with racing versions still tearing up tracks worldwide.

Specifications:

Engine: 2.0L inline-4

Transmission: 5-speed manual

Top Speed: 115 mph (185 km/h)

Weight: 2249 lbs (1020 kg)

Fuel Tank Capacity: 12.2 gallons (46 L)

Original Engine Included

This Danish Alfa, registered in March 1976, has been lovingly owned for 46 years. Fully restored in 1997, it now features a 2-liter engine (the original engine is included in the sale). The odometer reads 42,649 kilometers. The mechanicals are impeccable, and the panel gaps meet factory specs. The interior, including the original radio, exudes timeless charm. Full service and inspection have been meticulously performed.

Restoration photos capture the car's journey from past to present. This Alfa Romeo GT Junior is ready to grace your collection or hit the open road. Don't miss this chance to own a piece of Italian automotive history!
