### Beschreibung

For sale is this 1973 Ford Thunderbird in very good condition.

Engine: 460cid V8 (7538ccm), 210HP, 3 speed automatic. 5 200 miles on the clock, I believe total mileage is 105 000 miles (168 000km).

The car is in very good shape, no mechanical issues, engine and transmission are very smooth. I have recently changed the oil and filters.

The paint and all of the chrome is in very good shape. The car has original hubcaps.

Interior is also in very good shape, no damage, tears etc.

Overall, the car is original, no rust, new roof, new headliner and repaired drivers seat.

The only cosmetic damage is the small brown trim on the side is peeling off a little bit (both sides, only the small part before the door) and the engine doesn't look as good on the outside. Besides that, the car looks very good and is a pleasure to drive!

Considering the engine doesn't look it's best, you will be pleasantly surprised by how beautifully and quietly the engine runs.

If interested, I can help with transportation directly to you, and if sold in Czechia, I can also help with historical registration.

Price is 375 000 CZK without VAT (21%). Approximately 15 000 EUR.

Please contact me for more information.
